CATERING

We've been working hard to create a NEW menu that's packed with fresh new flavours and caters to different tastes and needs. Whether you're after nourishing salad bowls for a lunch meeting or something more substantial like our famous Liminal cheesesteak, we've got you covered.

We like to keep it seasonal & local, so we source our produce from nearby whenever we can. Many of the fresh ingredients you'll find on our menu comes straight from our very own farm at Common Ground Project, down at Freshwater Creek. We support the farm by not only using their ingredients, but also by giving back 10% of our profits directly to the farm and it's programs.

Oh, and did we mention our baristas are serving up Square One Coffee Roasters coffee? It's the perfect way to accompany any breakfast or lunch at Liminal.
